

Topspin Tennis Newcastle Hot Shots - Australian Open Tournament

Sunday 21st May 2017

HOT SHOTS tennis

Tennis Hot Shots Tournaments

Events provide young players with a tournament experience in a friendly, social and fun environment. The events run for 2–3 hours using a competition format that involves all participants for the duration of the event.

Hot Shots Categories

Red stage

Explore (ages 5–8)

The Red stage is for beginners. The red ball is larger than a yellow ball and doesn't bounce as high (just 25% compression), making it a breeze for even the youngest players to hit it comfortably. The courts and nets used in the Red stage are much smaller and easier for kids to move around.

Orange stage

Develop (ages 8–10)

After mastering the Red stage, children move on to the Orange stage where the ball bounces a little higher (50% compression) and the court is a bit bigger.

Green stage

Encourage (ages 9+)

The ball used in the Green stage has a higher compression (75% of a yellow tennis ball) and children play on a full-size court. Finally, when they are ready, kids graduate to the yellow ball and play on a full-size court.
